VACORP Partners with Scenario Learning for Online Safety Training
Virginia Association of Counties Group Self Insurance Risk Pool members now have access to the SafeSchools and SafePersonnel Online Staff Training Systems

Cincinnati, Ohio (Feb. 01, 2016) – Scenario Learning, the leading developer of safety and compliance solutions for schools, colleges and workplaces, and the Virginia Association of Counties Group Self Insurance Risk Pool (VACORP) announce a new partnership bringing the SafeSchools and SafePersonnel Online Staff Training Systems to VACORP's members. Members now have complimentary access to the market-leading training systems and a suite of 10 online courses covering important school or workplace safety topics.

Online training topics available through the partnership include *Back Injury & Lifting; Bloodborne Pathogens; Cardiopulmonary Resuscitation (CPR); Defensive Driving; First Aid; Slips, Trips, & Falls* and more. All SafeSchools and SafePersonnel Training online courses are developed specifically for either the K-12 or Workplace market, and have been written by a leading safety expert, so the content is relevant and applicable for staff members. Using the training systems, administrators and managers can easily assign training courses, automatically track progress, download compliance reports and view or print certificates of completion.

"Safety in schools and in the workplace is at the very core of what we do, and this partnership will be extremely beneficial to the safety measures being implemented by VACORP in Virginia," said Scenario Learning CEO Brian Taylor. "We applaud VACORP for demonstrating their dedication to provide a comprehensive safety solution to hundreds of their members."

VACORP members looking for additional training opportunities have the option to upgrade to the entire SafeSchools or SafePersonnel Online Staff Training System with their complete Course Libraries, at discounted pricing. Members will also have access to the Custom Course Tool in each training system, allowing administrators to easily build custom courses and policies that can be assigned to staff and tracked automatically.

VACORP members that are ready to get started with SafeSchools or SafePersonnel Training should contact Scenario Learning at 1.800.434.0154 or info@scenariolearning.com. For more information about the partnership, contact Jim Nulsen, Vice President of Business Development for Scenario Learning at jnulsen@scenariolearning.com.
